

HeritagEnergy is pleased to offer members of the Saugerties Chamber of Commerce with the following group pricing plans for your kerosene heating needs.

Option 1: HeritagEnergy will deliver all of your kerosene at a capped prepay rate of \$3.799 per gallon. With this plan, your gallons will be delivered at this capped rate from 07/01/14 through 06/01/15. You will receive all of the gallons you prepay, not to exceed this rate through 06/01/15. A non-refundable fee of .25 cents per gallon is due upon signing to secure the downside protection. Once the gallons you have prepaid for expire or should you exceed the gallons purchased, any additional gallons would be delivered at retail pricing.

Option 2: HeritagEnergy will deliver all of your kerosene at a capped budget rate of \$3.899 per gallon. With this plan, your gallons will be delivered at this capped rate from 07/01/14 through 06/01/15. You will receive all of the gallons you budget, not to exceed this rate through 06/01/15. A non-refundable fee of .25 cents per gallon is due upon signing to secure the downside protection. This option would be a 10 month budget with the first payment due at signing followed by nine remaining installments.

These prices are valid through August 15, 2014.

Please contact Donna Dieter, Sales Coordinator, should you have any questions or would like to review budget calculation at 845-336-2000 x3321.

Thank you,
