As you are aware we have 3 different models of pedal cars that will be on display this year.

We would like to try to evenly distribute the various models throughout the village and at the same time allow artists to be creative based on their preference.

We plan to have a pre-selection process, prior to the event where the sponsors select or meet their artist.

All of the sketches submitted will be considered however we will only be selecting 12-15 for each pedal car model. (Dependent upon the number of sponsors that participate.)

If you would like to increase your odds for selection we encourage you to submit sketches for all 3 models, unless your artwork can apply to all three of the various models. If this is the case than you only need to submit 1 sketch.

If your artwork can apply to all 3 models please check here _____.

We will do our best to take your preferences into account.

Please number the models in order of your preference. (Ex. 3 Comet 1 Chevy Convertible 2 Hot Rod)
