

Because of the Covid 19 pandemic our plans for the September Gala & Auction are uncertain at this time. Information will be available on DiscoverSaugerties.com & the Saugerties Chamber of Commerce Facebook page as September draws closer.

**WALKING MAP**

It is said that butterflies symbolize love and hope. With this in mind we have chosen the butterfly for our street art theme for 2020.

34 original artists creations will adorn the streets of Saugerties from Memorial Day weekend to Labor Day weekend.

Enjoy!

The Saugerties Chamber of Commerce would like to thank the Village Mayor Bill Murphy & staff as well as Town Supervisor Fred Costello Jr. & staff. We are grateful to the Police Department and the Village Department of Public Works. We would also like to thank this years sponsors & artists.
